PRESIDENT’S MESSAGE

CW4 Jay E. Garbus, USA (Ret)

5 Star Council

It is with great pride that I serve this Council. I am following past presidents who made North Carolina one of the best Councils in MOAA National.

I am looking at the future of having hybrid meetings with Zoom and in person. Some of the chapter presidents must travel for 6 to 10 hours to arrive at the meeting. Other presidents like seeing everyone in person having a great time. Zoom gives us this choice. I like the social event as you get to know everyone.

The Chapters have members who do wonderful projects with their chapter. I see JROTC as a big one. I would like to recognize an individual or group at each quarterly meeting. The president of the chapter will submit the name as the selection is up to the Chapter President. Going forward, more things will be implemented. Past Presidents have a lot to offer, and I plan to use some of their ideas that worked for us. My business card is in the newsletter if you need to contact me. If you have anything for future newsletters, please send them to me.

WHY JOIN MOAA

The Military Officers Association of America (MOAA) is the country's leading organization protecting the rights of military servicemembers and their families. Those who belong to MOAA not only lend their voices to a greater cause, but they also gain access to extensive benefits tailored to the needs and lifestyles of military officers. MOAA members proudly hail from every branch of the uniformed services. To them, we have made the same promise that they have made to their country: Never Stop Serving.

TAKE ACTION

These important issues require your immediate attention. Send your elected officials a MOAA-suggested message today.

Urge Your Elected Officials to Support Comprehensive Toxic Exposure Reform Legislation

Comprehensive toxic exposure reform is needed to ensure we avoid the problems faced by Vietnam veterans who were exposed to Agent Orange.

Urge Your Elected Officials to Fix the TRICARE Young Adult Coverage Gap

MOAA continues efforts to build support for The Health Care Fairness for Military Families Act of 2021, H.R. 475 in the House, and S. 1972 in the Senate. These bipartisan and bicameral pieces of legislation would expand TRICARE eligibility to young adult dependents up to age 26, bringing TRICARE in line with commercial plan requirements.

Ask Your Lawmakers to Support the Military Hunger Prevention Act

Food insecurity among junior servicemembers is not a new concern, but like many ongoing problems, it's been made worse by the economic fallout from the COVID-19 pandemic. The Military Hunger Prevention Act would establish a Basic Needs Allowance (BNA) for these servicemembers, helping them overcome financial difficulties and allowing them to concentrate on their duties.

COUNCIL AND CHAPTER AWARDS

MOAA Levels of Excellence Award - Each year, councils and chapters may request to be recognized for one of two [Levels of Excellence awards](#).

Col. Marvin J. Harris Communications Awards - MOAA's annual contest identifying those councils and chapters that do an outstanding job communicating with their members.

Colonel Steve Strobridge Legislative Chair/Liaison Award - This annual award recognizes an affiliate Legislative Chair or Liaison who has demonstrated superior service to their council/chapter and national MOAA in support of national and/or state legislation which affects servicemembers, veterans, retirees, and their families.

2021 Surviving Spouse Liaison Excellence Award- Surviving Spouse Liaisons work at the Council and Chapter level to ensure fellow survivors remain connected to the military family and participate in local and national programs and advocacy efforts.

WE ARE GETTING CLOSE TO OUR COUNCIL MEETING IN WINSTON SALEM JANUARY 7TH AND 8TH.

The purpose of this meeting is to.

Focus on activities that can support the chapters; to help them grow their membership

Share Chapter successes and look for solutions to issues and concerns

Update the group on state and national legislative issues and support for active duty and veterans

The agenda will be sent to all Chapter Presidents in advanced so you will know the scope of the meeting.

Your preparation for the meeting:

Make some notes about your chapter's successes, issues and plans for improvement.

Think about training needs for future Council meetings.

What topics would benefit your chapter?

Topics may include membership/recruiting processes, board management, conducting chapter meetings, community involvement opportunities, fund raising projects, etc.

What are you willing to do to make the NC Chapters and Council stronger?

I am looking forward to my first meeting as your Council President. Let me know if you have issues or concerns that need to be addressed before the meeting.

OMICRON VARIANT - The [Omicron variant](#) of COVID-19, recently discovered in the Carolinas, is now the predominant strain in the U.S., and will overtake Delta in our area within weeks. **If ever there was time to get your COVID-19 vaccine and booster, it's now.**

According to the [Centers for Disease Control and Prevention \(CDC\)](#), our current COVID-19 vaccines are expected to protect against severe illness, hospitalizations and deaths due to Omicron. However on Thursday, Dec. 16, 2021, the [CDC announced a clinical preference](#) for the Moderna and Pfizer COVID-19 vaccines over the Johnson & Johnson vaccine.

On Friday, Dec. 10, 2021, the UK Health Security Agency released a comprehensive report in which they compared 56,439 cases of Delta to 581 cases of Omicron from Nov. 27 to Dec. 6, 2021. Vaccine effectiveness against Omicron infection was 30-40% after two shots of Pfizer. After a booster, effectiveness increased to 70-80%. This is a small sampling, so these percentages may change as we learn more.

ADVOCACY NATIONAL, STATE, AND LOCAL LEGISLATIVE ISSUES

YOUR ACCESS TO URGENT CARE UNDER TRICARE MAY BE IN DANGER—BY: KAREN RUEDISUELI

Editor's Note: This article is part of [MOAA's 2021-22 TRICARE Guide](#), brought to you by [MOAA Insurance Plans](#), administered by Mercer Consumer. A version of the guide appeared in the November 2021 issue of [Military Officer magazine](#).

Eliminating the requirement for a referral from TRICARE Prime to get urgent care was a major victory for military family access to care, but recent developments raise a concern that access to urgent care may be under threat.

The increasing use of urgent care in the private sector is cited in the FY 2022 DoD budget request as a factor in rising TRICARE costs. MOAA is concerned this budget narrative may indicate a potential threat to referral-free urgent care for TRICARE Prime beneficiaries. Guidelines for TRICARE Urgent Care Visits

Make sure you are getting the best possible care and help the military community keep TRICARE Prime referral-free urgent care by using it as intended — when an acute appointment is not available with your primary care manager within 24 hours (the TRICARE access to care standard for urgent/acute care).

- Your PCM is always your best option for acute care that is not an emergency. Start by contacting your MTF for a same or next day appointment. “Seeing your PCM or PCM team for your urgent care needs is in any patient’s best interest,” said family physician Col. (Dr.) Thomas Cheatham, USAF. “Medically, it makes sense to be seen where your provider has access to your medical history, labs, X-rays, and can address your acute issues while also taking into consideration your underlying health conditions and preventative care needs.”
- Not sure what level of care is most appropriate? The Military Health System Nurse Advice Line (NAL), at 1-800-TRICARE, is a valuable service intended to assess your condition and direct you to the most appropriate care. The global NAL is staffed by registered nurses to assist patients and will help with making an appointment in an MTF with the patient’s PCM or team, or if needed, direct patients to care within the network.
