Bailey Settlement Report

November 2010

Dear Task Force Member,

It's time for another update on our progress with the legislation for extending the Emory, Bailey, Patton settlement. As you know the 4th Branch did an economic analysis of what the Federal, State, Local and Military retiree brings to the State of North Carolina. The results of that study showed that for every \$1.00 the state gives us in tax benefits we give them \$2.50 in return. The study shows that we are an asset and not a liability to North Carolina.

Public Relations Policy

The North Carolina Council of Chapters (NCCOC) has established this Public Relations/Communication Policy and Procedures document for use by chapters. These policies and procedures will serve to define how our Council communicates, as well as how it is perceived by the various chapters and the public at large. It also serves as a guide for chapter activities and is a complement to the MOAA National's Chapter Public Relations/Communication Guide.

Procedures for Hosting Meetings

The North Carolina Council of Chapters (NCCOC) holds quarterly meetings each year at which time member chapters volunteer to host the event. Unless prior arrangements are made with the Council President, the host chapter will coordinate a dinner meeting on Friday evening with NCCOC members and spouses attending, and the NCCOC will conduct a business meeting on Saturday morning with host chapter members and spouses invited to participate.
