

Tarheel Central Chapter of MOAA Christmas Dinner /Dance

December 9, 6:30 PM - 9:00 PM (or longer)

The Piedmont Club (19th Floor) - B B & T Building

200 West Second Street, Winston-Salem, NC 27101

The buffet meal with all the trimmings including a desert table is only \$20.00 per person. A cash bar is also available for your pleasure. The Society Swing Band and vocalist appearing of their 32nd year offers the listening and dance music we grew with such as Glenn Miller's big band sound. Guaranteed to make you smile and want to dance if not just sit and enjoy.

For this special evening, we encourage all to wear their military mess dress uniform (if they still fit) or dress up in your best evening attire and for the women the same. It is wonderful evening to jump start the Christmas season in a most pleasant way just being with military comrades, family and friends, having a great meal with music and all this at one of the best places high above the lights of Winston- Salem. Not a business meeting just a great time for all!

Each person or couple attending is asked to bring a wrapped gift of a service man and woman being cared for at the VA hospital, Salisbury. Please mark the outside tag on the gift for man or lady and the size of the item (if gift is to be worn). These gifts bring such joy to our service members in their time of need. The Chapter thanks you for your support of this annual project.

It is our hope that members from the nearby MOAA Chapters will accept our invitation to join us for this evening. Being held on a Tuesday, evening traffic should not be a problem, but you could make hotel arrangements close by if you feel it necessary. Enjoy the evening and arrive home safely.

NOTE- Reservations must be received **no later than 4 December**. (The Piedmont Club must know how many tables to set up and make arrangements).
